

List of Affected Buildings

Affected buildings which have been tested to have non-Class '0' cladding, and those which have yet to be tested but have unrestricted public access, will be published on the SCDF website (<http://www.scdf.gov.sg/fire-safety-buildings-improper-use-cladding>). As tests are ongoing, the list on the website will be updated as and when test results are available.

(A) Buildings tested to have non-Class '0' cladding, and which have yet to remove affected cladding
